

January 20th 2015

Dear Parents,

We have been working hard to collaborate on a variety of projects so far this month. The children have tried hard to be good listeners, good helpers and to take turns with their assigned groups.

As a culminating task, we are planning on collaborating to build/decorate boxes of donated food to give to the Barrhaven Food Cupboard. We are asking that each child bring in a few non-perishable food items or toiletry items. With your support in our project, our students will gain a valuable lesson in collaboration and in helping those less fortunate.

Please send in your donations by **Wednesday, January 28th**.

Thank you in advance for your support in our project,

Mme Joanne & Mrs. Scott
